Study Tips

Reading/Language Arts

-Read every night.
-Encourage your child to reread favorite stories. This helps build fluency, speed and accuracy.
-Practice Fry words
-Log in to the computer programs listed on the front of your child's agenda.

Math

-Practice counting from 0 to 120.
-Practice addition facts adding 0 to any number equals that number.
-Practice adding 1 to a number and subtracting 1 from a number which is also referred to as one more and one less than the number.

School Vision Statement:

Graduation and life preparation for all.
