Hill City Elementary School --RED RIBBON WEEK-- October 26-30, 2020

HCES FAMILY ~During the week of Oct. 26-30, 2020, HCES students and staff will be celebrating **RED RIBBON WEEK!**

*The purpose of this nationally-recognized week is to teach students the **dangers of drugs**, encourage **healthy living and SELF-RESPECT**, encourage healthy hobbies (called **anti-drugs**), & discuss **personal safety issues** that affect students.*

All HAWKS are invited to have FUN with this week’s specially-themed dress-up days!

We will also begin our **NURSING HOME ANGELS COLLECTION** during this week---where students and staff will be asked to bring in items that will be used to create holiday care packages for the elderly residents of Wildwood Nursing Home.

HAWKS ARE RESPECTFUL---RESPONSIBLE---SAFE---GREAT! ☺ *Jennie H. Smith, HCES School Counselor*
